r--Revised.

**Not available.

*--The large percentage changes shown for this week are due mainly to the difference in timing of Christmas 1959 and 1960. Christmas in 1959 fell on Friday whereas this year it was on Sunday. Therefore, the week ending Dec. 24, 1960 had the advantage since it included 6 pre-Christmas shopping days, while the 1959 week ending Dec. 26 contained 4 pre-Christmas shopping days, 1 holiday and 1 post-Christmas shopping day.
