The image contains a document with the title "FEDERAL RESERVE statistical release" and the section "WEEKLY SUMMARY OF BANKING AND CREDIT MEASURES". The document provides data on reserve aggregates, monetary aggregates, other reserve measures, and interest rates. The data is presented in tables with columns for different time periods and includes levels and per cent change. The tables contain information about total reserves, nonborrowed reserves, required reserves, monetary aggregates, and various interest rates. The document also includes notes and explanations for some of the data entries.
