1/ Contract balance does not include finance and insurance charges.欮Less than one-tenth of one per cent.
NOTE: Distributions are based on tabulations of data from 89 banks for September and October and are not intended to be estimates for all commercial banks. In October reports covered about 17,000 contracts on new cars, 13,000 purchased and 4,000 direct. Since composition of the group of banks changes from month to month, data are not comparable with previous releases.
